There will be a ***Drill Competition Challenge Trophy to be worn***

The Winner will hold this Challenge Trophy until the next competition. The Winner who won the most times will take home the Trophy to their Company. To take part in the Competition your Company have to participate in the National Drill Camp. Each squad consists 10 girls including the Commander. The Commander should be the most senior girl in the squad.

A set of Commands will be given to all participating companies and are strictly to be followed. Uniform checking will be carried out before the Competition starts. All girls are required to be ready half an hour before the Uniform checking and points will be added as part of the Competition.
